

BEER PHILOSOPHY

At Highland Tap and Burger, “*The Tap*” as we call it, we pride ourselves in fostering a community around locally sourced products, personal development, and knowledge of beer. Our beer list is a purposeful and reflective representation of this. We aim to introduce you to something new and interesting each and every time you visit us. Let us share our passion with you and allow us to guide you through your dining experience.

As a group of beer enthusiasts, we realize how lucky we are to be right here, right now.

The craft beer industry is exploding in our back yard, with world-class beers being brewed all across this great state. We have 20 tap handles, 18 of which are reserved for our local breweries, and two rotating handles featuring beers from around the country. Our selection of bottled and canned beers is organized to reflect each beer’s boldness and complexity; starting with light, clean and crisp beers and gradually elevating in complexity and distinct layers of flavor that unfold from start to finish. We’re also proud to offer handcrafted signature cocktails highlighting many of Colorado’s unique spirits, as well as an appealing wine list. However, if you’re not a beer drinker, we’re sure it’s only because you have yet to taste the one that’s right for you.

We challenge you to try something new!

Education is one of our core values here at “*The Tap*”. We encourage ongoing beer education by visiting local breweries and hosting events with knowledgeable professionals in the craft beer industry. All of our servers and bartenders are Cicerone Program Beer Server Certified. We would love to talk beer with you, and help you in your selection by answering any questions you might have.

ROTATING SELECTIONS

This will be a rotating beer selection showcasing Crooked Stave Brewing, Crooked Stave Distributing, and PARADOX Beer Company. Crooked Stave Distributing carries some of the most interesting beers in the world, and due to the ever changing and ever experimenting practices of PARADOX they are able to deliver unique and wayward beers.

MAMA BEAR'S SOUR CHERRY PIE 375 ml 18
 Wild Ale 7.0% ABV
Crooked Stave Artisan Beer Project (Denver, CO)
 Mama Bear's Sour Cherry Pie features over 3,000lbs of Colorado sour cherries harvested by the brewery on the Colorado Western Slope.

SKULLY BARRELL No.34 500 ml 23
 Ginger Pear Sour 7.5 % ABV
PARADOX BEER CO. (Woodland Park, CO)

The smell of pears baking in the oven is one of our favorite fall memories. To bottle this nostalgia, we've added Bosc pears, Madagascar vanilla beans, fresh ginger juice, and a hint of Ceylon cinnamon to our wine barrel-aged amber sour ale.

SKULLY BARRELL No.35 500 ml 23
 Saladitos Salted Plum 7.5 % ABV
PARADOX BEER CO. (Woodland Park, CO)

Salted and dried plums, or *Saladitos*, are a popular savory candy available in Mexican specialty markets. To create this drinkable homage, we've paired those satisfying sweet and salty plum flavors with the tart citrus peel bite of our white wine barrel-aged sour golden ale.

BOTTLE & CAN LIST

This list has been created to lead you on a journey through Colorado's diverse and sometimes rarely explored terrain. As the landscape and elevation changes, the beers will increase in complexity and boldness; starting with light and crisp beers and elevating to beers with distinct layers of flavor and aroma that unfold from start to finish.
